Announcing Our Next Trip:

Peru

Spring Break 2019

Unforgettable. Join our grassroots partners in a mission to alleviate poverty, build up infrastructure and educate the next generation of Peruvians. Work side by side with locals on community-driven projects in Peru. Through hands-on work and deep exposure to the local culture, students learn vital collaboration and problem-solving skills. Alongside this, students return home inspired to make a difference.

Tour Information: Imagine the opportunity for your child to see history come alive and experience foreign cultures firsthand while also given the opportunity to gain insight into the challenges locals face throughout Peru as students work side by side building sustainable solutions—empowering communities for generations to come.

Info Meeting:

Friday, May 4th
6:30pm in RM 232

**There are only 7 spots available!*

Tour Highlights

From the mighty Machu Picchu to the sparkling Lake Titicaca, students will learn and work with local communities on current challenges relating to urban migration, responsible tourism and sustainable community development. With breathtaking sites as your backdrop, you and your students will explore ancient civilizations and be immersed in local culture.
