National College Fair

Since 1972 the National College Fairs program has helped students to decide which post-secondary option is right for them. Free and open to the public, the fairs allow students to interact with admission representatives from a wide range of post-secondary institutions to discuss course offerings and majors, admission and financial aid requirements, college life in general and other information pertinent to the college selection process. Mark your calendar to attend on Friday, November 1 from 9 am to noon or Saturday, November 2 from noon to 4 pm at the Washington State Convention Center in downtown Seattle.

Registration for Advanced Placement Exams

AP Exam registration will run from October 14 through the end of last lunch on October 25. Students can pick up a registration packet from their AP teacher or from the Counseling Center. Included in this packet are the registration envelope and an information handout. The cost is \$96 per exam; the cost for AP Seminar or AP Research is \$144 per exam. Payment can be made one of two ways:

- For those paying by check: Students will return the envelope with the test fee enclosed to our bookkeeper. Students pay at the window by the end of last lunch on October 25. Checks are made payable to Lake Washington School District. Students need their school ID card with them when they pay for their exams. Registration is now complete.
- For those students paying online: Parents pay through their parent access account. Students paying online must print a copy of their receipt, place it in the completed envelope, and turn it in to Counseling or the bookkeeper by 1:30 pm on October 25. **Registration will not be considered complete until we receive the envelope with receipt inside.**

If students are unsure whether they should test, they should check with their individual subject teachers.

Late registration will run from February 18 through February 27; there will be a \$50 per exam late fee. Details on the late AP registration process will be available in December. After February 27, we will not accept any AP Exam registrations. Advanced Placement exams are scheduled for May 4 through May 15.

Need Help Completing the FAFSA?

LWHS sponsored a Financial Aid Night on October 2. Our guest speakers reviewed the FAFSA and spent time answering questions from the audience. If you experience difficulty when you fill out the FAFSA, we encourage you to call the financial aid offices at any of our local community colleges or universities. They will be more than happy to help answer your questions. Again, it is important to submit the FAFSA as soon as possible. Colleges enforce deadlines and need your financial information as early as possible in order to give your student the best package.

Freshman Presentation

During RooTime on October 30 all freshmen will attend a presentation in the gym that focuses on making the most out of the high school experience.

Scholarship Market Workshop November 6 from 6:30 pm to 7:30 pm

Mark your calendars for November 6 at 6:30 pm in the Theater at LWHS! The College and Career Center is pleased to host a **Scholarship Market Workshop** with guest speakers from the College Planning Network. This workshop is designed to help students and parents identify scholarship sources and develop scholarship application techniques. The Washington State resource, theWashboard.org, will be fully reviewed and the process of matching students with scholarship characteristics will be discussed. This presentation will be especially helpful for Senior students and parents; however all grade levels are welcome.

We hope you will be able to join us!

Fear Free SAT and ACT Practice Tests

Hey there Kangs! We are ready for another year of Fear Free SAT and ACT Practice Tests with the Princeton Review. The Fear Free tests are a great way for your student to get comfortable with the format and style of the SAT or ACT in a stress free environment. Scored tests will be returned to students in a free review session, but will not be shared with colleges. While the SAT Practice Test occurred on October 19, the ACT Practice Test will be held Saturday, November 9. **Registration deadline is November 5.**

All tests are taken in the LWHS library from 8:30 am to 1:30 pm, and provide a complete testing simulation. [Click here](#) for additional information and registration instructions.

Washington State PTA Game Development Competition

The WSPTA Game Development Competition is a STEM-based program open to students in grades 9-12. The competition provides an opportunity for students, either individually or in teams of up to six members, to use their creative talents and express themselves by developing a computer game. Students' submissions are judged in the following areas: game of the year, arts and animation, game design, programming

(code), and audio design. This year's theme is *Animals*.

The online intent to submit forms are due January 15, 2020, and information can be found [here](#).

LWHS PTSA Education Inclusion and Awareness News

October is Dis"Ability" Awareness Month

I like to refer to it as *dis*-"Ability" month and focus on a person's Abilities. On October 15 at the LWSD Monthly Special Needs Parents meeting, we had the opportunity to watch the short film *Unspoken* about a lovely girl named Emma who is autistic. What a wonderful film as she is amazing! [Click here](#) to see the trailer.

If you would like more information on *Unspoken*, please contact me. And please come to the next monthly Special Needs meeting on November 19 and connect with other parents!
