We also answer questions about the college process and steer students in the right direction for any additional support they may need. Seniors are invited to drop in during Wednesday morning ROO and/or after school each Wednesday from September through January. We hope to add Thursdays after school, too, so stay tuned!

Please encourage your student to take advantage of our time and expertise! They are welcome to drop in as often as they'd like, there is no cost. (And we have snacks!)

Please note that beginning in February, we shift our focus

to underclassmen as they begin their college application process. Presentations are geared toward specific topics, such as how to conduct college visits, how to select a college, information on specific college majors, etc.

## Support Students and Meet Other Parents! PTSA Committee Chairs Needed

Your PTSA is underway and getting ready for a great year. There are a few PTSA chair positions looking for leadership, and your talents and experience can benefit all LWHS students and the LWHS community. The PTSA Board and others are here to help anyone who would like to serve - no chair experience required! Many of the committees have outgoing chairs who can train you. Each committee has a small amount of paperwork for record-keeping purposes, and you will get help with that as well.

If one of these sounds enticing to you, or you're interested in learning more about it, please email **<u>support@lwhsptsa.org</u>**.

### Advocacy

The Advocacy Chair will work to inform members about important legislative issues that impact our district and students. Activities can include organizing local PTSA events in support of district and statewide initiatives and attending WSPTA Legislative Assembly and Focus Day held annually.

## **Beautification**

Co-chair this committee with its outgoing chair and work with LWHS students and other adults twice per year to keep the LWHS grounds looking great with weeding, mulching, and adding new plants and trees (with help from a Master Gardener). A great way to work with students and immediately see results.

### Grants

Co-chair this committee with its outgoing chair. Each year, the LWHS PTSA gives thousands of dollars in grants to teachers, students and the entire LWHS community to enhance learning for all LWHS students. Work with a small group to review grant requests from LWHS staff and recommend those for Board approval. A fun way to see dollars directly affect education.

### New Family and International Outreach

Co-chair this fairly new committee with its outgoing chair. Work to welcome all new families to the LWHS community, including those from elsewhere in the U.S. and from foreign nations. Promote that inviting Kang spirit and encourage folks less familiar with the U.S. school system to jump on in as they wish.

## **Parent Education**

The chair helps vet and schedule educational speakers of interest to the LWHS community. Speakers typically are scheduled for PTSA general membership meetings which are held 5 times per year but other events may be scheduled as desired.

## **Reflections Art Competition**

Chair this committee with training and resources provided by previous chair. Each year the PTSA sponsors this national art competition, with visual, literature and performing arts categories. LWHS students have achieved significant honors at the local, state and national levels, with one LWHS artist's painting making the national competition last year. Great opportunity to encourage the young artists in our community to showcase their talents in a national competition.

## **"Fear-Free" SAT/ACT Practice Tests**

Chair this committee with information provided by prior chairs. Work with LWHS Admin to schedule and proctor two practice runs each for the SAT and ACT college entrance exams, one in Fall and one in Spring. These practice runs use prior year tests and are given to students in a simulated exam setting at LWHS so they can experience what the actual tests are like.

## **Sustainability**

Build this committee from the ground up. This is a relatively new program for PTSAs, and the LWHS PTSA would love to get on board by helping LWHS build on its already great approach to environmental sustainability. This program is supported by LWPTSA Council so you will have the opportunity to interact with chairs from other schools. There are so many ways to go in this program - composting, air quality, etc. Your talents are needed!

# Get the News Out to Our New Kangs

The Kang Crier Newsletter is the primary communication method used by LWHS PTSA to provide information to LWHS families. Unfortunately, the district does not update distribution lists until late October, so the families that need this news the most are missing out. If you know of a family new to LWHS, please have them subscribe to this newsletter by visiting <u>lwhsptsa.org</u> or forward this newsletter so they can <u>click here to subscribe</u>.
