

LWHS PTSA Sponsored SAT/ACT Practice Tests

LWHS PTSA is partnering with Princeton Review to give students the opportunity to take SAT and ACT tests just “for practice” at a low cost.

These practice tests are administered by Princeton review. They are real SAT/ACT tests from previous years that enable students to practice and determine their baseline scores prior to taking the actual test. Students can take these practice tests any number of times and the scores from these do “not” go on their record.

Princeton Review also offers a free strategy session for students where they can learn ways to improve their performance in the actual tests.

Due to the current ongoing pandemic situation, fall practice test and strategy session will be held online.

Fall practice test dates are now open for registration.
