Senior Party Information: Class of 2024

FAQs

Updated Jun 8

- Students need to submit a signed Release Form to attend.
- Departure
 - **The buses depart from the Arena immediately after graduation. We will not depart from or stop by LWHS**
 - Please use the bathroom (if needed) before exiting the Arena as it will take some time to load the buses and reach the first destination
 - Changing – For students that wish to change, we recommend that the parents hold the clothes during graduation and provide them to the student afterwards. Students can change and then walk to the bus
 - Take pics before graduation – there will not be time afterwards
 - Students are not allowed to bring bags or purses on the bus
 - Snacks and water will be available on the buses
- The buses will drop students off at LWHS at the end of the night. Factor this into plans for going to the Arena. (If seniors drive to the Arena then their cars will still be at the Arena.)
- Dress: Comfortable clothes with closed-toe shoes. The first event will have a chilly outdoor component, so we recommend bringing a jacket or sweatshirt

LWHS Senior Party 2024
